

Essex
a great place to
do business

► Welcome *|FNAME|* to INVEST Essex's eNewsletter

February 2011

Welcome to the first edition of our new eNewsletter about Essex, from INVEST Essex, Essex County Council's inward investment service. Our role is to promote Essex as an outstanding business destination, helping existing and potential investors to make the most of our strategic location, thriving business environment and quality of life.

Essex is a great place to do business and offers competitive priced business premises close to London. Business confidence is growing as companies take advantage of support initiatives the county has to offer.

Each edition of the eNewsletter will highlight specific sectors and companies that have chosen Essex as their base and why they recognise that Essex is good for business.

We hope that you find this eNewsletter an interesting and informative read!

► Essex is a great place to do business

Essex is an outstanding choice for any business – whether it be for a European headquarters or UK office, an R&D centre, distribution or service facilities. Essex is not only on the doorstep of London and Cambridge, but also has excellent transport links with two international ports, two international airports, fast access to the national motorway network and high-speed rail connections to mainland Europe. So whether you're starting up or relocating a growing business, Essex offers a rich, well-established and above all, well-located solution.

► Looking for affordable business premises close to London? Look at Essex...

Businesses locating in Essex are benefiting from operating costs up to two thirds less than the London average. These reduced costs, coupled with the close proximity and effective

transport links means Essex offers a more affordable business solution.

"We have a much lower cost base than competitors based in London."

James Frost, Founder and Managing Director, Coast Digital

"Getting the right mix at an affordable cost was proving difficult in London."

Garry Moore, Managing Director, Phoenix Product Development
